The Force Behind

The Coimbatore District Small Industries Association, popularly known as CODISSIA, is one of the largest Business Membership Organisation for Micro, Small and Medium Enterprises in India. It works for Industrial development, economic growth and prosperity of the Coimbatore region.

The association has made significant contribution towards building a strong and stable industrial belt in this region and created awareness among entrepreneurs.

SUBCON 2027 - A source for successful outsourcing

- CODISSIA announces the arrival of the 10th Edition of the outsourcing fair SUBCON 2027. It presents a unique opportunity to meet some of India's bigger manufacturers and many large and medium enterprises, who have earned a distinct reputation for their quality.
- This will also serve as a platform for large industries to meet their potential vendors and start their dialogue. An ideal platform for vendor development, the 3- Day Event - SUBCON 2027, will be held from 12th - 14th May 2027.
- Defence and Central Public Sector Undertakings like BEL, BEML, HAL, Ordinance Factory, BHEL, NLC, Railway production establishments, and other Large-Scale industries from the private sector are expected to participate in the event.

OBJECTIVES

The focus of this industrial meet is to enable the industrial fraternity to gain competitive advantage through mutual co-operation and support. It is a vantage point for small and large industries to exhibit their products, components and services to an entire gamut of industries. True to its purpose, the event will focus on fulfilling the following objectives :

- To help large industries identify their potential vendors and small industries to identify their source of job.
- To provide a platform for vendor registration for the large units and Central / DPSUs
- To showcase the competence of MSMEs of the region
- To create an opportunity for both the user industry as well the suppliers to interact for their mutual business growth.
- To communicate procurement policies, registration procedures, quality standards, logistics, etc. expected by the buyers.
- To strengthen relationship within the clusters.
- To align with the governments vision of “Make in India”.

SUBCON 2025 to begin on May 14

Coimbatore: The Coimbatore District Small Industries Association (Codissia) will hold the ninth edition of 'SUBCON' – an exhibition to connect MSMEs and larger industries – from May 14 to 16. It will be held at the Codissia trade fair complex.

Addressing reporters on Tuesday, J Sanjeevi Kumar, chairman of SUBCON 2025, said more than 225 exhibitors would participate in the event, occupying around 250 stalls.

"The Coimbatore region, home to more than two lakh MSMEs, is known for its precision engineering capabilities in machined components and sub-assemblies. It also serves as a hub for castings, forgings, and related engineering services."

"The objective of this fair is to bring together MSMEs and large industries, including PSUs, to enable healthy networking and orders for small units," he said.

He said the exhibitors would include 35 PSUs, 10 large private sector industries and several financial institutions.

"The event, spread over 70,000 sqft, is supported by the National Small Industries Corporation, the MSME-Technology Development Centre, the Process and Product Development Centre in Agro and Fields TN.

The exhibition will be open to visitors from 10am to 6pm. Online registration is available on visitorcodissia.com, he
